

ELECTRONIC GIVING SOLUTIONS

for your congregation

Direct Debit

e.service® Electronic Funds Transfer

- No long-term contract
- No initial setup fee
- No monthly service fee
- No monthly minimum
- No software

Ideal for recurring donations, Vanco's popular **e.service® Electronic Funds Transfer (EFT)** solution allows members of your congregation to have their contributions electronically transferred from their checking or savings accounts and deposited into the church's bank account on a steady, uninterrupted basis. This solution can help reduce fluctuations in giving throughout the year while making it easier for members to honor their financial commitments. It also helps free up staff time and reduce administrative costs.

EFT Fees:

Per Transaction Fee	\$ <u>0.25</u>
One-Time Authorization Fee (Per Member)	\$ <u>0.50</u>

A message to church leaders:

Vanco Services currently provides electronic giving solutions for over 8,500 congregations nationwide. The UUA Office of Congregational Stewardship Services encourages all congregations to explore the possibility of letting Vanco Services manage your annual budget drive financial commitments.

Wayne B. Clark, Ph.D.
UUA Director for Congregation
Stewardship Services

Credit & Debit Cards

Vanco's **e.service® Merchant Services** allows your church to accept recurring and one-time credit and debit card donations.

- No long-term contract
- No monthly service fee
- No software
- No card reader equipment
- No cancellation fee

Website Payment

Using your website to increase donations is easier than you might think. With Vanco's **e.service® by Web**, we'll do all the work for you including:

- Design of the web donation pages to look like your website
- Maintenance and security of the web donation pages
- Quick setup (hours, not weeks)
- Email confirmation to your church of each web donation

Are you interested in electronic giving for your congregation?

- Contact Jan Palmer at **800-774-9355, ext. 496**

About Vanco Services

SECURITY & CONFIDENTIALITY

Data security at Vanco is more than an event, person or technology. Rather, it is an ethic that is central in every decision we make. It is our expertise in risk management and our unwavering commitment to security and confidentiality that has helped us become a market leader with a reputation for providing timely, accurate, and secure payment processing.

PCI Compliance

Vanco Services is a PCI (Payment Card Industry) Level 1 Compliant Service Provider. While PCI security standards were developed for the payment card industry, Vanco has taken the additional step to implement them across its entire **e.service®** line of electronic payment solutions. These standards were developed by the founding payment brands of the PCI Security Standards Council, including American Express, Discover Financial services, JCB, MasterCard Worldwide and Visa International to help facilitate the broad adoption of consistent data security measures on a global basis. PCI compliance is a comprehensive standard intended to help organizations proactively protect customer account data.

EXPERIENCE

Vanco Services has over 18 years of experience processing electronic transactions through the Automated Clearing House (ACH) Networkworks. We currently work with over 8,500 religious and nonprofit organizations nationwide. Our **e.service®** solutions support organizations of any size.

CUSTOMER SERVICE

Our staff is committed to providing superior customer service through experienced professionals, top quality services and unsurpassed attention to client needs.

DETAILED AUDIT REPORTS

Vanco's reports are easy to access, easy to read and won't leave you confused or frustrated. In addition, the reports provide you with a detailed audit trail.

ONLINE SERVICE CENTER

Vanco's online Service Center enables our clients to manage all their electronic transactions via a secure and easy-to-use website. Featuring easy-to-read reports and comprehensive donation histories, the Service Center is free of charge and available 24/7 from any computer with Internet access.
