The Reverend Angie Colina McNeil, Pastor

Dear members and friends of Country Club UMC,

The safety and health of our congregation and our community is our number-one priority. I want to remind you that as a United Methodist, we are to follow our General Rules, the first of which is Do No Harm. At the same time, there is a great need and desire to connect and worship together. While everyone would like to return to worship as we did before the Covid-19 outbreak, **we will only be holding online worship throughout the rest of the year.** These rules will allow us to monitor the effectiveness of social distancing, to reevaluate the needs of our congregation, to follow CDC guidelines and the rules of the city, county, state, and Missouri United Methodist Church.

While these are our current plans, the Health Committee will continue to monitor the rate of infection in Kansas City, CDC and local health guidelines, as well as any new rules established by our city, county, state or United Methodist Conference. If we have to make adjustments to the dates and rules of our planned gatherings, we will notify the congregation as quickly as possible.

We hope these plans will provide an opportunity for communion with God and one another.

Continued Opportunities Through Country Club UMC:

Online Worship: We will continue to have our worship broadcast online each week at 10:45 am on Sundays. Remember, you are still connected to us at Country Club UMC even when you worship online. (Side note: our online worship has been watched or “attended” by a larger average number of people than in person before the outbreak.)

Small Groups: We ask that small groups continue to meet virtually until we are able to provide space that is secure and sanitary enough to protect everyone. Many groups have found creative ways to connect; we encourage you to do so.

Giving: If you can't attend our in-person gatherings, we invite you to support the congregation and its ministry by giving online at <https://countryclubumc.org/give/>. Here you can make both one-time contributions and set up a recurring donation. Ministry is continuing, albeit in new ways, and your offerings are still needed as much now as ever. You can also mail your offering to Country Club UMC, 400 W 57th Street, KCMO 64113.

Needs or Concerns: Please contact the church if you have any other questions and concerns. We are also ready to help you with any needs you might have.

Health Team Members: Amelia Sorensen, Ken Starkey, Susan Fershee, Keith Morgan

Many blessings,

Pastor Angie Colina McNeil
